	Agenda Items	Action
1.	All were welcomed to the meeting.	
2.	The Minutes of the meeting held on 3 June were accepted. Matters Arising: Jon will look at Chapters 2 and 8 and give his professional advice. He will also look at the Wildlife section – he will send his suggestions to Andrea before the next meeting. Andrea has contacted Llanover and is waiting for a reply.	Jon
3.	Comments have been received from Suffolk County Council. These are consistent with other views and thereby would seem to rule out the Half Moon Lane and Jade House sites. The draft plan has been sent to Paul Bryant. He is passing it round internally for comments. These are due back in a week or two. All agreed to using the photo of the Steering Group in the plan. Andrea is now working on the appendices, mapping and local green spaces assessments including the playing field. Jon has access to free online mapping so will liaise with Andrea.	Andrea Jon
4.	The next stage will be the first formal consultation – this normally takes six weeks and will be sent to various bodies for their comments. It is estimated this will begin in early August. A public consultation will follow when the public will be asked for their comments in writing. This will be organised nearer the date.	
5.	Important Views – Chris has labelled the views and attached photos. There are a few photos missing. Charley, Janet and Shirley agreed to fill in the gaps. It was agreed to take out photos 7, 10 and 11 and renumber the remaining photos.	
6.	Any Other Business The 2020 grant application has been accepted – thanks to Shirley for her hard work. The referendum will not take place until at least May 2021 due to government restrictions.	
	The date of the next meeting is Wednesday 15 July at 7.30 on Zoom
