	Agenda Items	Action
1.	Charley welcomed everyone to the meeting.	
2.	The Minutes of the previous meeting on 29 September 2020 were upheld.	
3.	Matters arising: Chris had spoken to Ann Topham, who owns the lake in Redgrave Park, to inform her of the NP website, to give her a chance to read the Plan. She has, as yet, made no comments. Charley had not yet taken a photo of the Maltings, due to adverse weather, but she will do so and pass it to Chris to include in the Plan.	Charley
4.	The Llanover neighbourhood submission was discussed at length. It was agreed that John should arrange a special meeting between Llanover, the Redgrave Parish Council, RAT and possibly RNP, to talk things through to ensure that all are aware of all aspects. Andrea confirmed that she would be happy to be involved in this meeting. Andrea will draft a reply to Susie of Llanover and Michael Rees but will circulate it to the RNP committee before sending it.	John Andrea
5.	Shirley had a phone interview re the Strategic Environment Assessment – all was approved and is going ahead. They will contact her in 10 days' time.	
6.	Andrea was pleased with the responses to the Consultation – both from statutory bodies and the public. Andrea and Chris have made a colour coded table of responses. Green represents supportive comments or where no change to policies is required. Yellow represents suggested amendments to be checked with the group. Red responses are where change may well be required to policies, to be agreed with the group. At this meeting all the 'red' responses were discussed individually. Andrea will make a list of all altered policies to be agreed upon at the next meeting. She asked all to read the altered policies in advance of the next meeting. Jon will help with maps that were agreed to be unclear. Jon also agreed to have a look at no.150 Red 8. Andrea will draft a letter to the owners of the Flat Iron to apologise for not consulting them sooner and to explain green spaces.	Andrea All Jon Andrea
7.	Any Other Business It was decided to omit the logo heading from each page of the Plan to give more room for text. Andrea and Chris were thanked for their hard work categorising the responses.	

The date of the next meeting is Thursday 3 December 2020
